**IMPORTANT NOTICE:** This is meant to be a "free and easy" adventure trip. Participants should be relatively fit, with a good sense of humor, and above all, have the right attitude for close travel with others through possibly some trying times. Most definitely, this is not a trip for prudes, whiners, fussy-pots, and other similarly assorted types! We had a couple of those before and it wasn't pleasant for us or them. Although every effort will be made to stick to the given itinerary, ground conditions may change and cause some disruption and/or deviation from the norm. Otherwise, have fun !
