IMPORTANT NOTICE: This is meant to be a "free and easy" adventure trip. Participants should be relatively fit, with a good sense of humor, and above all, have the right attitude for close travel with others through possibly some trying times. Most definitely, this is not a trip for prudes, whiners, fuss-pots, and other similarly assorted types! We had a couple of those before and it wasn't pleasant for us or them. Although every effort will be made to stick to the given itinerary, ground conditions may change and cause some disruption and/or deviation from the norm. Otherwise, have fun.

Tusheti National Park - opens only 5 months in a year.

Trip involve many walks and treks, including 4 nights in Omalu, base of Tusheti National Park. We hire 4WD vans for Tusheti and a Mercedes Sprinter for rest of trip, led by a Georgian guide and local driver(s) for the duration of this trip. We stay budget hotels and local guesthouses. We use smaller chartered 4WD vehicles for some mountain areas. Large sized 28 inches luggage **ARE NOT ALLOWED** on Yongo trips. Many Yongers manage with 22 inches but most will use 24 inches trolleys. Note trip cost covers full board at Tusheti National Park 4-nights stay (breakfasts, packed lunches and dinners); half-board at Mestia 4-nights half-board at Kutaisi Winery stay (breakfast2 and dinners).

In Greek mythology, Georgia was the home of the Golden Fleece. Today, a more spirited fame is Georgian wine, as Georgia is also referred to as the "Cradle of Wine", with wine samples dating back 6000 years! Whatever, let's enjoy Georgia's mountains, edifices, dances, good food and of course, great wine.....and brandy! Opened only from late-May to early Oct, Tusheti is one of of the highest and remotest mountain areas, often considered the Holy Grail of Georgian travel - the final frontier. By YONG LEE KENG.
