This is meant to be a "free and easy" budget trip. Participants should be relatively fit, with a good sense of humour, and above all, have the right attitude for close travel with others through possibly some trying times. Most definitely, this is not a trip for prudes, whiners, fuss-pots, and other similiarly assorted types! Although every effort will be made to stick to the given itinerary, ground conditions may change and cause some disruption and/or deviation from the norm. Otherwise, have fun!

We hire a Mercedes Sprinter with a local driver for the duration of this trip. We stay budget to mid-range accomodations except for the one night in a desert tent. Its quite important participants are able to manage their own luggage, preferably backpacks or softpacks and NO "giant" luggages please. As on other Yongo trips, you pay for your own meals unless stated below, entrance fees, within-the-town taxis and other activities.
