IMPORTANT NOTICE: This is meant to be a "free and easy" adventure trip. Participants should be relatively fit, with a good sense of humor, and above all, have the right attitude for close travel with others through possibly some trying times. Most definitely, this is not a trip for prudes, whiners, fuss-pots, and other similarly assorted types! We had a couple of those before and it wasn't pleasant for us or them. Although every effort will be made to stick to the given itinerary, ground conditions may change and cause some disruption and/or deviation from the norm. Otherwise, have fun.

It is estimated that there are some 6000 Komodos still roaming wild on Komodo Islands, just off Nusa Tenggara. We will surely see some, AND we will also ensure you experience the Komodo Island at its other best ... the deep blue surrounding sea on a 3D2N live-aboard voyage, spectacular sights at Padar Island, and even the simple pleasures of a short but intereting drive through lesser visited Nusa Tenggara Barat.

DAY 1 Meet KLIA. Meet KLIA by 6:30AM for AA flight **9:00AM** to Labuan Bajo landing 4:55PM, with a 2hr transit in Denpasar Bali. Booking on direct basis and on Guaranteed Connection Basis. It is a short 10min van ride to hotel,

and just in time for happy hours maybe in town. Dinner at local eatery. Overnight (O/n) LBJ (D).

We do a short uphill hike to take in splendid views, and then cool off with snorkeling at Menjerite Island. Next stop is Komodo dragons viewing at Rinca Island, but look out for the wild boar, Timor deer etc as well. Evening will be sunset chills at Kalong while catching sight of hundreds of fruit bats in the sky above us. O/N Boat (B L D).

DAY 3 Padar Sunrise, Pink Beach, Komodo Island & Taro Makassar. It will be an early morning hike up the hills of Padar Island to take in an inspiring sunrise watching the island change color as the sun slowly rises. We sail to Pink Beach to enjoy some sand and sea fun before heading for Komodo Island to try catch sight of more 'dragons' without the latter catching us! Last sea stop will be at Manta Point to try view more giants, and then snorkel a truly spectacular spot at Tako Makassar. Wrap up the day with serene glowing sunset at Kannawa Island. O/N Boat (B L D).

Day 4 Kannawa Reef & Rangko Cave. After two full active days, today we have a free morning for more snorkeling, visiting local fishing village, fishing or just enjoy doing nothing. After lunch we sail to Rangko Cave to arrive around 3pm to catch the cave at its best blue glow. The water in the cave is still saltish and one will find it easy to float! Dinner at local eatery. O/N LBJ (B L D).

Day 5 West Nusa Tenggara Timor. AM: will be a slow drive with spontaneous stops enroute to catch a cuppa of coffee served with priceless smiles, photo ops and local roadside shopping. O/N Ruteng (B L D).

Day 6 Pygmy "Hobbits" Archaeological Site & Coffee Farm. We drive small mountain roads with scenic views of the countryside dotted with cinnamon, coffee, and cocoa plantings until we reach Liang Bua Cave, where 'Homo floresiensis' was discovered. The remains of these 'small people' date back 12,000 to 95,000 years old! In the afternoon, we make a slow drive back to LBJ to arrive for a nice sunset at Love Hills, just on the outskirts of LBJ. O/N LBJ (B L D)
