**IMPORTANT NOTICE.** This is meant to be a "free and easy" budget trip. Participants should be relatively fit, with a good sense of humour, and above all, have the right attitude for close travel with others through possibly some trying times. Most definitely, this is not a trip for prudes, whiners, fuss-pots, and other similiarly assorted types! Although every effort will be made to stick to the given itinerary, ground conditions may change and cause some disruption and/or deviation from the norm. Otherwise, have fun!

Our "Land Below the Wind" is more, much more, than just Mount Kinabalu and Sipadan. There are not many places in Malaysia where one moment you are splashing in clear sparkling seas, and within the next few hours can be walking through pristine lush jungle havens. Let us explore this deliciously diverse Sabah diorama in an approximately 1700km drive taking in all the major, and also many roads less travelled, in a circular loop drive. We may have to stop on the Maliau road to allow for elephants crossing! Bolih Bah!
